

YOUNG SHEEP HANDLERS EXPO

Sponsorship Opportunity

We extend our sincere invitation to collaborate with you for the 2024 WA Young Sheep Expo.

The Education Expo, slated for 2024, is the result of collaborated efforts by select members from esteemed organisations such as the Australian Stud Sheep Breeders Association, the Royal Agriculture Society, and relevant Breed Societies.

The initiative is driven by our shared commitment to nurturing the younger generation's interest and understanding of the vibrant opportunities within the sheep industry.

Scheduled for the 11th — 12th of July 2024, the event will unfold at Claremont Showground, promising a dynamic platform for knowledge exchange and career exploration.

Your valued support is pivotal to the success of this endeavor.

We acknowledge partnership can take various forms, including monetary contributions, provision of in-kind services, or donations of products and prizes. Each contribution not only underwrites the operational costs of the expo but also enhances the prospects for our participants.

We assure you all applications for partnership will be thoroughly reviewed. We eagerly anticipate the prospect of collaborating with you and extend a warm invitation for your presence at our event.
